**ISIS Memorandum 05-018**

To: ISIS Agency Liaisons  
Fiscal Officers  
Purchasing and Contract Management Personnel

Subject: DOA Mainframe Password Restrictions

**\*\*\*\* Please distribute this important information to all AFS, AGPS, and CFMS users. \*\*\*\***

Effective October 20, 2004, the Office of Computing Services (OCS) will implement new DOA mainframe password restrictions. Passwords must be eight (8) characters including at least one alphabetic (A-Z) or national (#, @, \$) and one numeric (0-9) character.

All AFS/AGPS/CFMS users will be affected by this change. The new restrictions must be met as existing passwords are changed or new passwords established on or after the implementation date.

If you have any questions, please contact the ISIS Help Desk at (225) 342-2677.
